# GIN

## **FIFTY POUNDS - ENGLAND** 43.5% £5.10

Clean and broad-shouldered with a light vegetal note and a nutty biscuity undertow, elements of frozen peels/lemon sorbet take over before very sage/pinelike juniper drifts in behind. It needs time to open for Parma violet and bright spiciness to come through. The palate is sweet with lots of sage and lavender as the juniper becomes more assertive.

## **MALFY GIN ROSA - ITALY** 41% £5.10

Sun-ripened Sicilian pink grapefruit from the Mediterranean coast produce a colourful burst of Italian sunshine with soft and subtle but totally unctuous grapefruit flavours.

## **AVIATION - AMERICA** 42% £5.10

Rich floral and savoury notes of lavender, cardamom and sarsaparilla. Made with a 'Botanical Democracy'! Rather than the usual 'dictatorial' influence of juniper, each botanical used in Aviation Gin has an influence on the overall flavour of the spirit, giving a beautiful balance and creating a new style which is known as New Western Dry Gin.

## **MALFY CON LIMONE - ITALY** 41% £5.10

The finest coastal grown Italian Sfusato lemons from Amalfi and Sicily give the gin flavours of anise, citrus and coriander.

## **PERSIAN BLUE MARSHMALLOW - ENGLAND** 40% £5.10

This really unusual gin is made using a traditional combination of botanicals including juniper, but the inclusion of marshmallow root brings a wonderful sweetness to the overall balance. A great gin that is a lot more than just a bit of fun.

## **HENDRICK'S - SCOTLAND** 41.4% £5.10

Made by the most curious of minds and imaginative spirit, with hints of coriander, juniper, citrus peel - and an odd, but marvelous, infusion of rose petal and cucumber.

## **WARNER EDWARDS VICTORIA'S RHUBARB - ENGLAND** 40% £5.10

Hand-crafted British gin, craft distilled on Falls Farm. An exceptional gin using Queen Victoria's own personal rhubarb crop.

## **MALFY CON ARANCIA - ITALY** 41% £5.10

Blood oranges sourced from Sicily in the November harvest - developing in the cool Mediterranean nights - deliver a rich red colour with a beautifully balanced finish.

## **BOSFORD ROSÉ PREMIUM PINK - ENGLAND** 37.5% £4.55

Wonderfully balanced with juniper, coriander, angelica, lemon peel and orange peel and made with strawberry and raspberry flavours. This gluten free rosé is first distilled using all the botanicals of the Bosford London Dry Gin original recipe.

## **BRIGHTON GIN - ENGLAND** 40% £5.10

A fantastic tippie from the beautiful city of Brighton and Hove, built around a 100% organic British grain spirit. Juniper, orange, lime and milk thistle create this refreshing, laid-back and ever so slightly sweet gin.

## **MONKEY 47 - GERMANY** 47% £5.10

Highly aromatic. Citrus, floral and jam-like fragrances. Light citrus with stone fruit flavours and a warm lengthy finish with spice notes coming through. A rich, full, smooth gin.

## **135 EAST HYOGO - JAPAN** 42% £5.10

Boasting a boatload of Japanese botanicals, with cedar wood, shiso leaf, chrysanthemum, sansho pepper and yuzu. A burst of tangy yuzu citrus, with fiery ginger, warming chilli spice, pine and earthy juniper, leading into a clean citrus finish.

## **PORTER'S TROPICAL OLD TOM - SCOTLAND** 40% £5.10

Porter's has subverted the perception of Scottish gin by adding cold-distilled botanicals of passion fruit, guava and white tea to a classic, juniper Old Tom-style gin. Porter's recommend serve is with tonic water and a garnish of fresh passion fruit. Juicy tropical fruit notes. Floral honey, earthy juniper and a little warming citrus spice bring depth underneath.

## **TANQUERAY FLOR DE SEVILLA - ENGLAND** 41.3% £4.55

A unique distilled gin made with Sevilla orange essences and other fine botanicals. A perfect match of the bittersweet taste of Seville oranges balanced with the complexity of Tanqueray London Dry Gin.

## **LYRE'S DRY LONDON SPIRIT - AUSTRALIA** 0.0% £4.25

Rich scents of orange blossom, lime, jasmine, juniper and mint. Juniper, citrus and pepperberry on the palate deliver a generous, dry finish. Many years in the making, Lyre's presents an exquisite lovingly crafted alcohol-free gin alternative.
